

EXPLORER™ TV CART

Heavy duty mobile TV cart offers the ability to effortlessly and safely be transported over any crack, bump or uneven surface.

One Size Fits Most

VESA mounting pattern supports up to 86 in. display and up to 200 lbs.

Safety in Transport

Large wheels and solid footprint allow for the most stable TV cart to be easily moved through standard door frames

Customize with Accessories

Steel tube frame with module hole pattern allows for accessories to be mounted depending on display size and user needs
